BARBARA ANN CLEEVES

On behalf of all the students of Swissvale High School, the Swissvalian staff pays honor to Carl S. Baily, Superintendent of Schools, who is retiring in July, 1962.

Mr. Baily knows all phases of school work, having been a teacher, principal, and superintendent. He has earned the title of "a good school man." When he first came to Swissvale in 1923, he taught chemistry. He was elected principal of the high school in 1929 and superintendent of the school district in November, 1933.

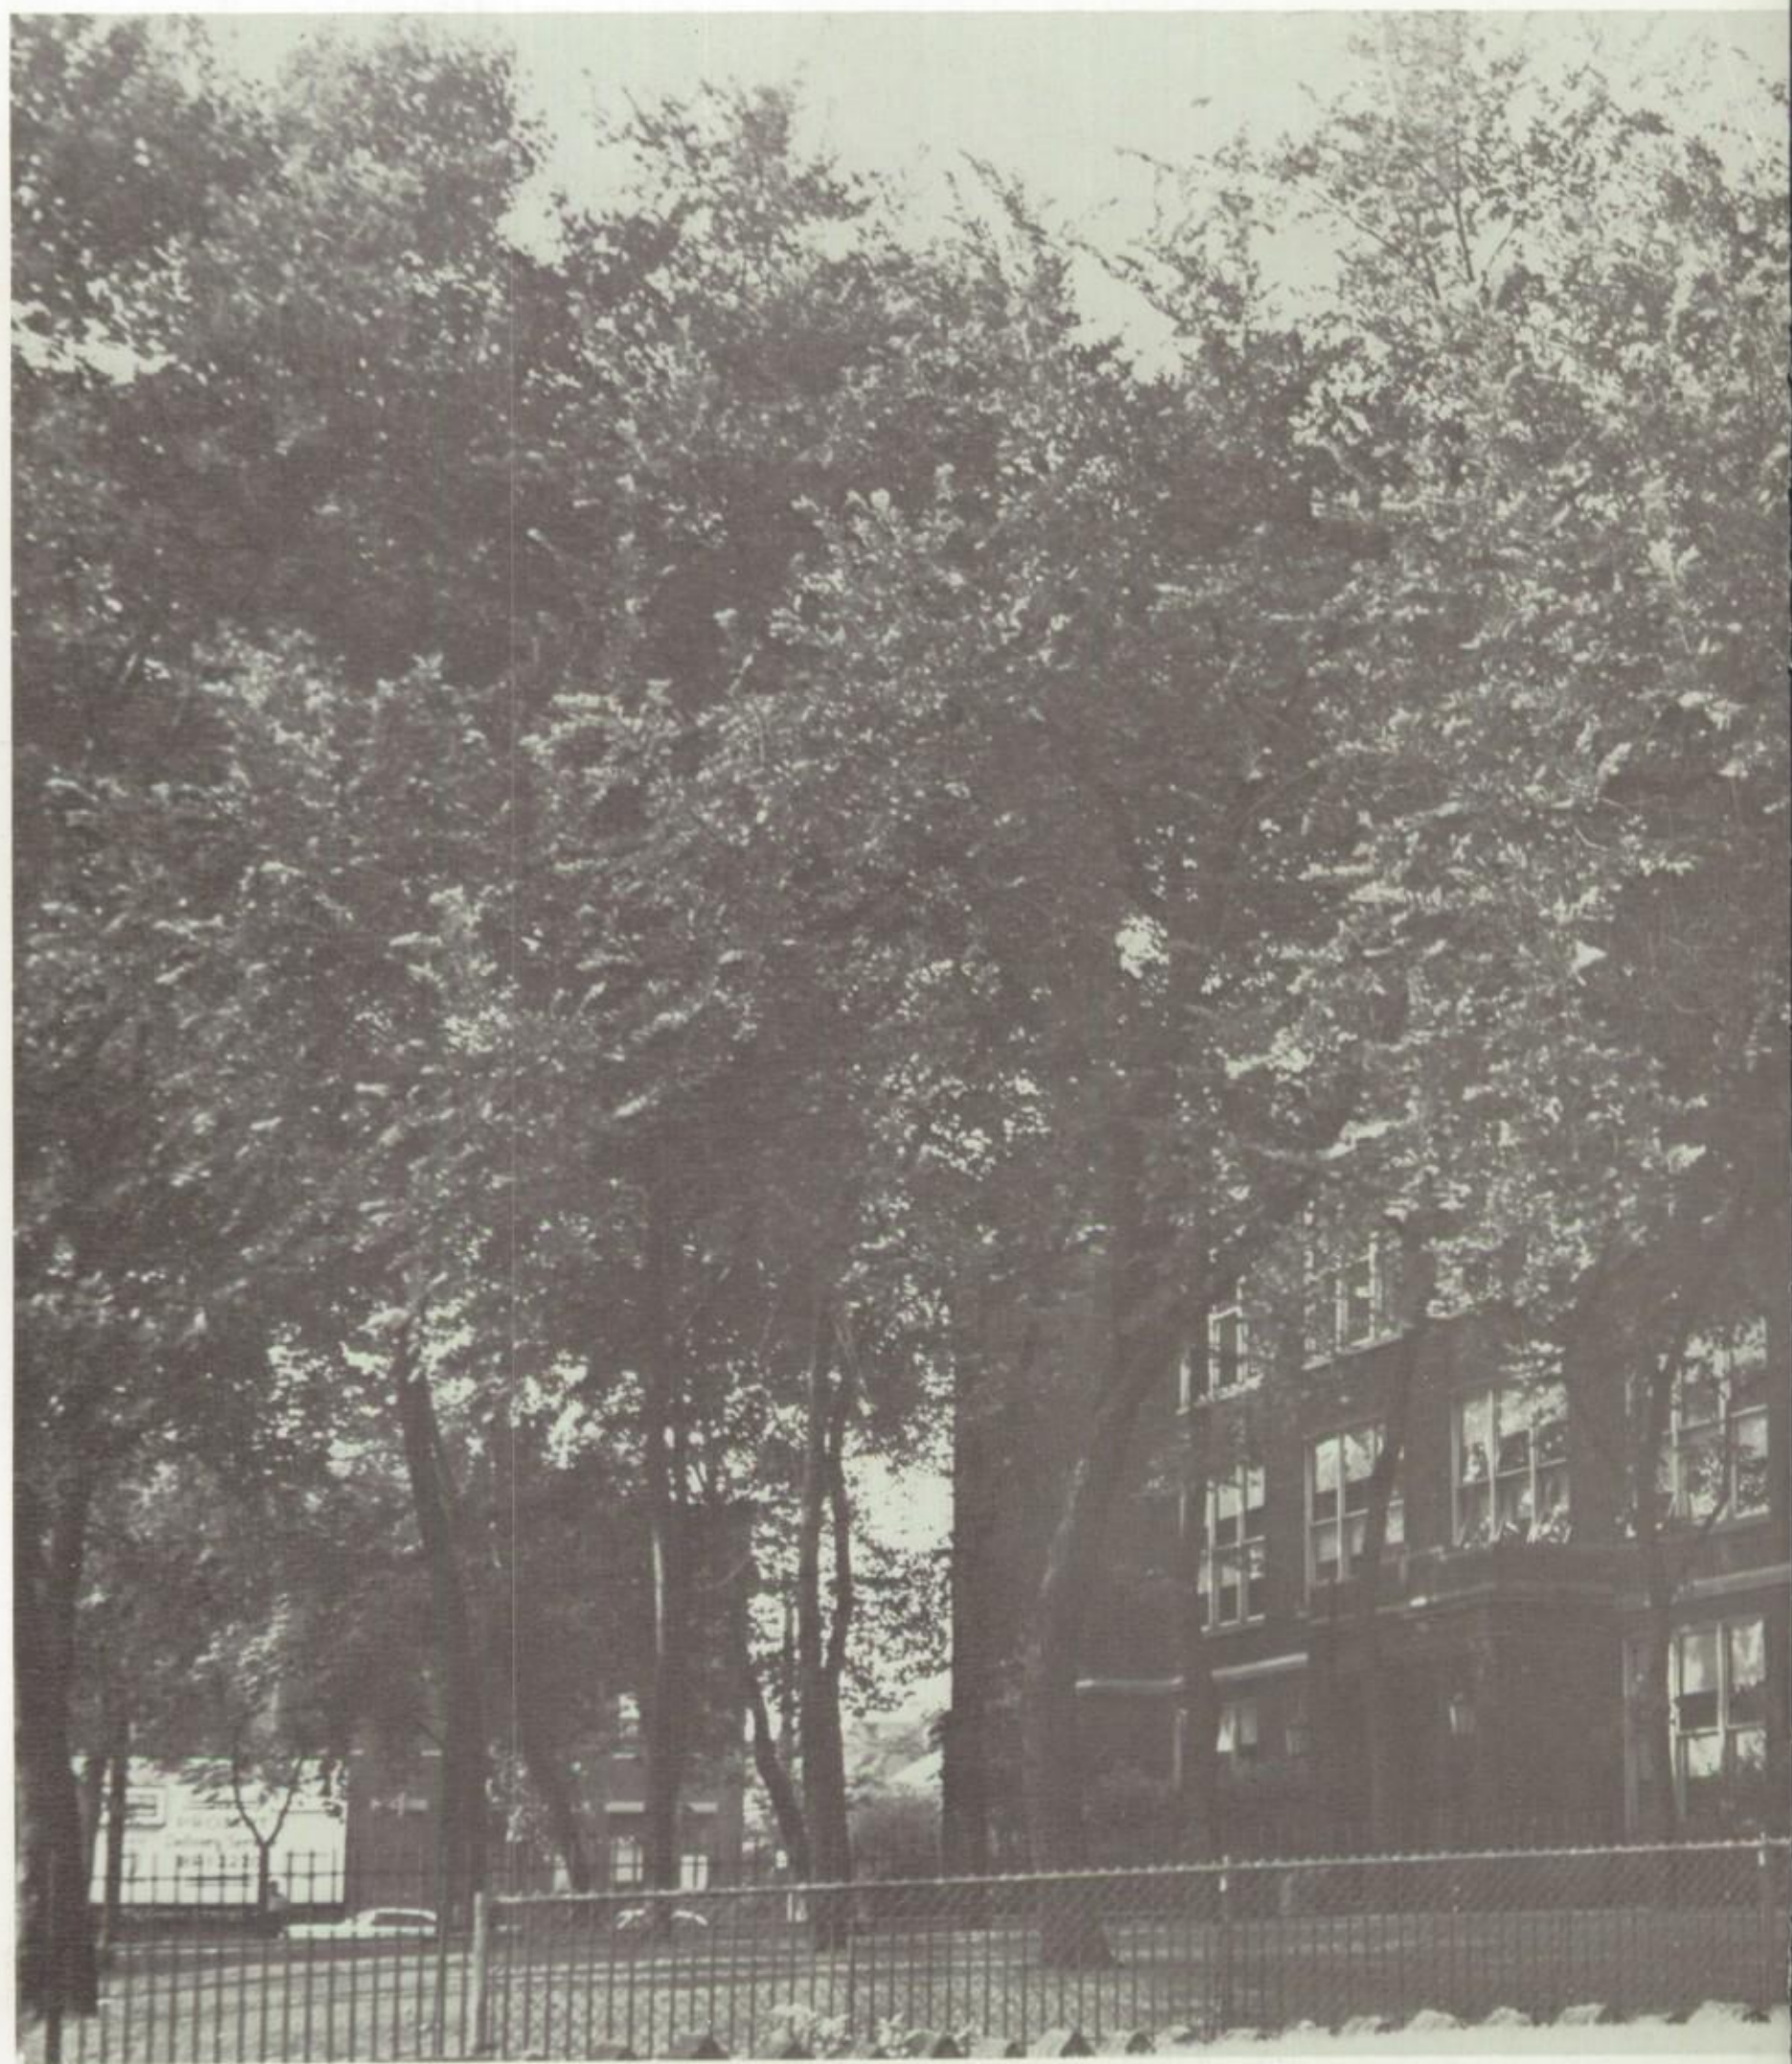

During his years in Swissvale, Mr. Baily has devoted his time to being a friend of the student as well as of the teacher; he has looked ahead to future needs of the district and has never been "caught short" on opening day. His every decision has been made from the standpoint of whether or not it would benefit the school children of Swissvale.

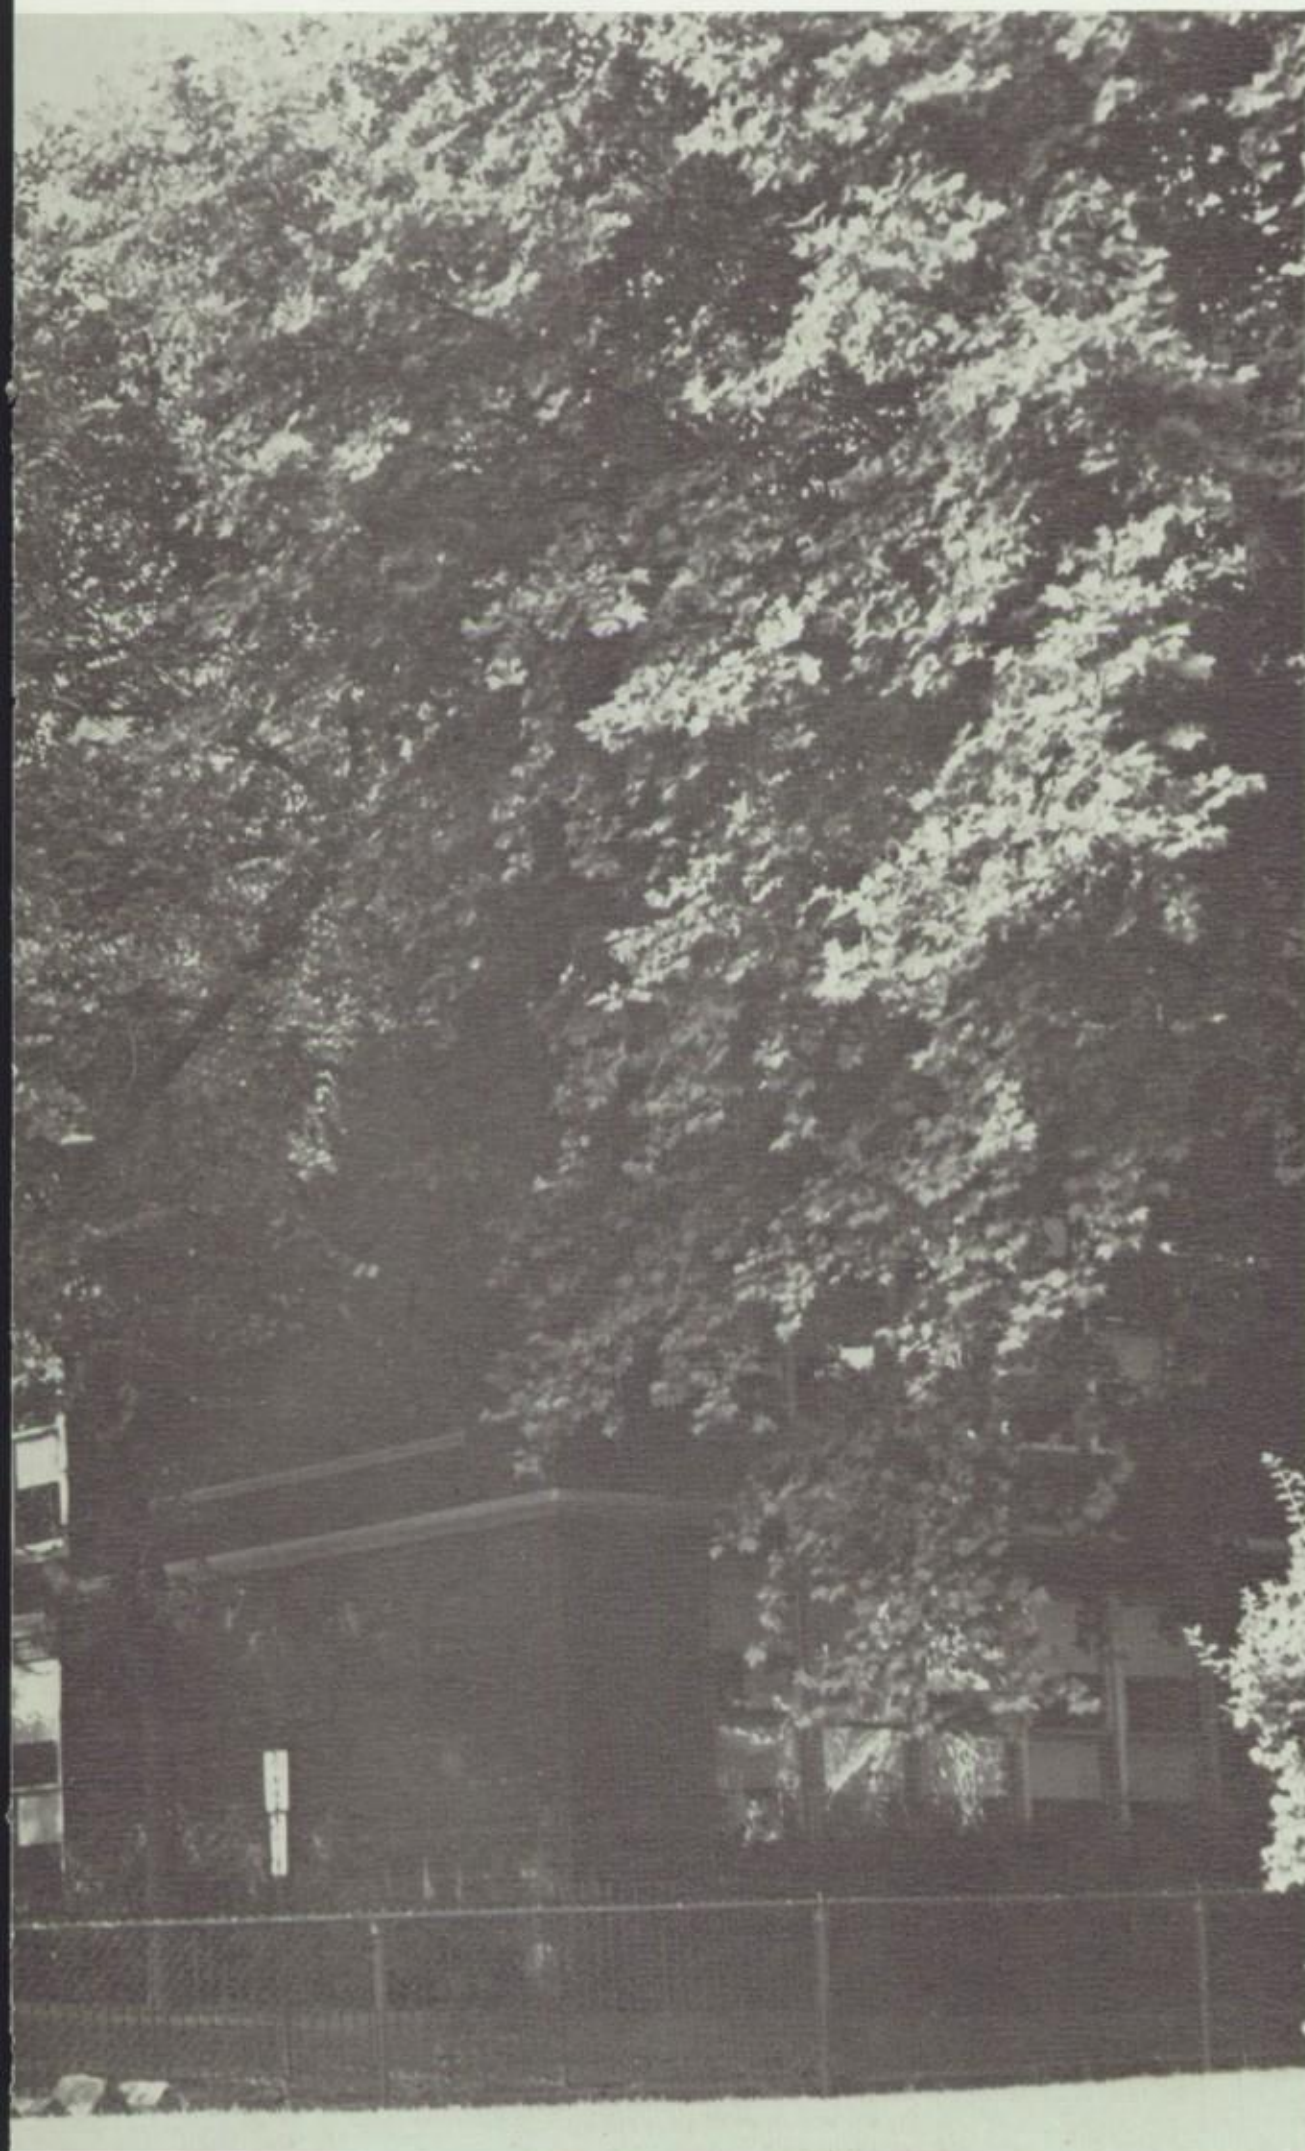

Mr. Baily will be missed, but as he leaves he takes with him many thanks for all he has done and countless good wishes for many happy years ahead.

The faculty of Swissvale High, recognizing the importance of well-rounded individuals, is devoted not only to teaching their subjects but also to developing the students socially. Our teachers show their interest in the students by contributing extra time to sponsor activities and to aid in solving student problems. The success of their endeavors, which are shared by the parents, is shown by the many fine young men and women who have been graduated from SHS.

SENIOR DIARY

1962—Seniors, this is our year. We'll all have our own special memories of this wonderful year, but these are a few things which made 1962 unique.

Col. John Glenn orbits earth three times

"Dear Lady Twist" rocks nation

Baily's Bombers take both volleyball and basketball championships, while girls split, with Boretsky's Brats taking the volleyball title and Massey's Lassies winning in basketball

Barrage of new teachers invades Swissvale High—Mrs. Dzikowski, Mrs. Pfeiffer, Mr. Molchan, Mr. Bell, and Mr. Nelson

Kilts and knee socks approved of by students, disapproved by teachers

Bright bows dress up hair styles

Fighter planes jetted from east to west three times faster than sound

Boys demonstrate egghead look with new Ivy League haircuts

Gold Flashes football squad has terrific season—victories include Glassport

Jackie Kennedy visits Nehru in India

Skating party and Commencement Dance, two new activities originated by Seniors in '62

"Boss" and "yummy" added to our slang vocabulary

Spit curls held in place by Geishi Curl (or nail polish)

"Do You Trust Your Boyfriend?" and "Best Foot Forward" both big successes

Francis Gary Powers released by the Russians

SHS engages in thrilling game with KQV High Hoopers

Matted hair styles give heads the "balloon look"

"West Side Story"—picture of the year

Large percentage of SHS seniors accepted by colleges, nursing and business schools

All these things, from the most earth-shattering events to the smallest, most insignificant fads, have made 1962 a year which none of us will soon forget.

Student Council

Carefully selected officers lead to a smoothly functioning organization such as SHS has had this year. Kneeling are secretary Bonnie Duncan and treasurer Kathy McGregor. Standing are Ellen Sylves, vice-president, and Cathy Kovacic, president.

Student Council, the "judicial" division of the student body, is composed of the presidents of each homeroom. This makes up an enthusiastic group, interested in putting into action as many as possible of the practical wishes of the students.

The council sponsors many activities, among them the Sophomore Reception, the intramural games, and the always-popular Sock Hops which follow the hard fought championship games.

Under the leadership of Mr. Dandar, this efficient group is constantly striving to improve the students' relationship to the many phases of school life.

Homeroom representatives to Student Council are, **kneeling:** Bart Mele, Wayne Olexa, Gary Miller, Robert Brozovich, Tom Chunko, Bill DeLucia, Ronnie Smith, Dan Quinn, Anthony Panaia. **Standing:** Rick Pavlisko, Ellen Sylves, Kathy McGregor, Bonnie Duncan, Nancy McGregor, Carol Sechrist, Cathy Kovacic, Kathy Balkovec, Kathy Neumont, Nancy Connelly, Carol McMinn, Jay Beeman.

"Horizon," published four times a year, is Swissvale High's literary magazine that prints the outstanding contributions of the creative writers in the school. **Seated:** Nancy Brobst, Diana Williams (typing chairman), Dorothy Robertson, JoAnn Dobrich (editor-in-chief), Janet Tuteur, Barbara Cleeves (business adviser), Maxine Shovel, Irene Begg, Carol McMinn, Jane Yuhas. **Standing:** Peggy Wonders, Pat Schwarzbach, Fern Fish, Emma Jean Clark, Marlene Kyle (co-business manager), Donna Gardell (co-business manager), Barbara Mladjan, Lyn Wray, Rich Spagnolli, Janice Lester (art editor), Bill Ryan (literary editor), Connie Yankura. Faculty advisers are Miss Eisaman and Mrs. Baily.

Horizon Staff— —Quill & Scroll

Quill and Scroll is an international literary society for high school students. The qualifications for membership include high scholastic rating and exceptional contributions to a high school publication in the fields of writing, business, and art. Members of the Jane Grey Swisshelm chapter are, **seated,** Richard Spagnolli, Nancy Connelly, Patricia Schwarzbach, Kathleen McGregor, Daniel Dattola, Barbara Cleeves, Gregory Eadie. **Standing:** Katherine Bravar, JoAnn Dobrich, Carolyn Wray, Carol Jarsinsky, Fern Fish.

"Blood, sweat, and tears!" This small phrase adequately sums up the experiences through which the yearbook editors have struggled this past year. It's little wonder that the editors pictured on the Activities Division Page are shown with their paper dolls. Their harassment was brought about by trying to fit square pictures into rectangular spaces, finding spaces for six pictures in a layout providing for four, and racing against time to meet the deadlines which always came weeks too soon.

The editors have worked hard, but they will feel their labors have been worth while if they have succeeded in pleasing their friends at SHS.

Looking over their assignments and planning what approach to take as they ask Swissvale's cooperative merchants for ads are Walter Bell, John Stanton, Bill Magyar, Carol Exler, Fern Fish, Nancy Onofray, and Joanne Talarico.

Swiss

Michelle DelloStritto points out a change in the layouts and discusses needed art work with Regis Rhodes and Dawn Faulds (left).

The members of the literary staff often found themselves making layouts and typing, too. Standing are: Pat Moorman, Kathy Balkovec, Diana Williams, Sandy Ghrist, and Marilyn Morgan. Seated: Joanna Fiano, Emma Jean Clark, Emilie Gummo, Jackie Woffenden, Nancy Connelly, and Nancy Brobst. Missing from picture: Caren Connor.

valian

The faithful salesmen had a real job on their hands, but they kept at it till the final day when the 1962 SWISS-VALIAN was placed in the hands of the students. In the foreground are Adrienne Cravotta, Monica Mianzo, and Rick Tarr (who, with Carol Hollstein, saw to it that Room

13 was paid up 'way ahead of time). In the back row are: Layton Lewis, Janet Stewart, Janet Mildon, Mary Ann Olexa, Carol Exler, Bill Ragan, Adele DeLia, Barbara Boyd, Beady Tyson, Janice Miller, Norma Hojnacki, Ed Jozwiak, Janis Gressley.

Dan Dattola, feature editor of the Valistic, discusses an issue with his staff members Donna Colondrea, Fern Fish, Sandy Ghrist, Nancy Connelly, Steve Getsy, Connie Yankura, Joanne Mastandrea, and Kathy McGregor.

Bill Ryan, news editor, barks an order to Marilyn Morgan. Seated are Janis Gressley and Arlene Toth.

Vince Palmiero shows the sports staff how easy it is to pick up a football (when it is only a miniature). Looking on are Donna Smith, co-sports editor, Ron Golock, Joe DeLucia, co-sports editor, Kathy Neumont, and Pat Harris.

Val

Though these pictures look relatively calm, a visitor would be very surprised to see how really hectic Room 11 is. The staff puts much work into the paper but still finds time for fun and foolishness. Part of the fun has been to initiate Mr. Bell as our new adviser. He has proved capable of filling the shoes vacated by Mr. Glarner.

Carol Jarsinsky, editor-in-chief, confers with her department editors: Dan Dattola, features, Bill Ryan, news, Donna Smith, sports, Pat Schwarzbach, art, Michelle Dello Stritto, exchange, and Kathie Bravar, business manager.

Cooking up another attractive cover are, **seated**, Pat Schwarzbach, art editor, Janice Lester, and Dorothy Robertson. **Standing**: Jerome Bileck, Martha Holmes, Midge DelloStritto, Maureen Costello, Mary Tokar, Marie Kemerer, Connie Yankura, Regis Rhodes, Irene Begg, and Jim Lester.

istic

Special mention must be given to the outstanding covers designed for each issue. Midge DelloStritto and "Pixie" Schwarzbach cut the silk screens and also designed several of the covers.

Food seemed to run a close second to the hard work put in by the staff, as an "errand boy" was usually running back and forth between Room 11 and the drugstore.

Few mistakes are made by these accomplished typists. **Seated**, first row, are Nancy Brobst, Mary Ann Hotovcin, Mary Ann Gregory, head typist, Joanne Spierto. **Second row**: Janis Gressley, Monica Mianzo, and Arlene Toth. **Standing**: Diana Williams, Joanne Talarico, Carol Exler, Barbara Boyd, Jackie Woffenden, Pat Genone, Mary Margaret McGraw, Emma Jean Clark, and Joyce Dufalla.

Honor Roll

The following students have maintained high scholastic averages as well as being all-round students by participating in extra-curricular activities.

The seniors on the honor roll have maintained averages of 90% or better throughout their high school years.

The juniors and sophomores whose names appear here have been on the honor roll all during the first semester of the school year.

We're out to win again another time.

And for old Swissvale High we'll yell, I say we'll yell
And then we'll fight, fight, FIGHT for every yard;
We'll circle in and hit that line real hard.
And then we'll roll, roll, roll upon the grass,
The soddy grass for Swissvale High.

TOM CUSACK—Tom was one of our big tackles on offense and defense. He played almost every minute in every game, stopping opposing ball carriers and blocking on offense. Tom was a player who never gave up even though our Flashes were down. He was elected to the All-Mon All Star Team.

JOE DELUCIA—Joe was a quick-moving halfback who used his agility to outsmart the opposing team. He was also a reserve quarterback and a hard-fighting defensive player. Joe was full of determination, and any time that he was on the field you could be sure he was doing his best.

RICH DOWLER—Rich was one of the big tackles who moved the opposing line for our ball carriers. His hard tackling and blocking were a great help to the Flashes throughout the season. Rich's determination will be missed next year.

BOB GLENN—Bob was the kind of player who could be counted on to keep the team's spirits up in the face of defeat. He was always ready with his excellent pass catching and hard tackling to bring the Flashes from behind.

PAUL HUDALE—Paul was a rugged linebacker who staggered the opposing offense with his fearless rushing. Although one of the smaller men, Paul held his own against some of the biggest men on the other teams. He could be counted on to stop the ball carriers short on a 4th down play.

MARVIN MONEYMAKER—Marv was one of the biggest men on the Flashes' squad, playing center on offense and end on defense. He was elected to the All-Mon All Star Team due partially to his outstanding performances in the Glassport and other games.

FRANK PANAI—Frank was one of our all 'round players, playing defense as well as offense. He could always be counted on for that extra yard or two when he carried the ball. He led the Flashes in scoring and in total yardage. Frank was also elected to the All-Mon All Star Team.

RON SMITH—Ron's main assets were his speed and his unfailing determination. He was a reserve halfback and demonstrated his potential in the West Mifflin game by gaining 70 yards and scoring a touchdown. Ron was also a strong defensive player.

Football Squad

A strong defensive team added much to the Flashes' success this year. A powerful line held the opposition to low yardage, while a speedy backfield was there to stop any ball carrier who might have broken through the line.

Line: Marvin Moneymaker, Tom Cusack, Mike Mladjan, Tom Chun-ko, Dennis Papula.

Backfield: Anthony Panaia, Frank Panaia, Willie Wilkens, Paul Hudale, Roland Mariani, Joe DeLucia.

The Swissvale High Gold Flashes emerged with a 6 and 3 record from one of the most exciting football seasons it has ever experienced. A speedy back-field led by Captain Frank Panaia pounded out yard after yard against the opposition. A sturdy and rugged defense withheld all oncoming ball carriers.

Swissvale repeated history by beating Glassport 13-12 in one of the best-played games of the season. This knocked them from the Class A race just as Swissvale had done in 1948. Joe DeLucia's "fake" double reverse broke Glassport's defense and morale. Joe also passed for the other TD.

Frank Panaia, Marvin Moneymaker, and Tom Cusack were rewarded for their efforts during the season by being placed on the All-Mon All Star team. These boys played well and could be counted on for that extra yard or tackle.

Until now, most all of the important decisions in your life have been made by someone else. You didn't select the neighborhood you live in. You didn't select the schools you attended. You didn't have too much to say about the things you studied or the work you had to do. And, of course, you didn't select your family.

All that starts to change now. When you graduate, *you* become your own decision maker. You decide about starting a family, about school, where you'll live, where you'll work.

When you make a decision about work, we urge you to first consider the opportunities at Union Switch & Signal. While you are working and earning, you can take advantage of Union Switch & Signal's educational program and earn a degree at one of the local universities.

College engineering graduates have tremendous opportunities in Union Switch & Signal's newly modernized research laboratories equipped with all facilities and instrumentation for present and future research and development requirements. Engineers at Union Switch & Signal work with components for space vehicles, railway signal control systems, remote control systems for pipelines, and many other projects for the steel and mining industries. These men can also further their education and earn masters' and doctors' degrees with company financial support.

Union Switch & Signal also offers fine opportunities for high school girl graduates interested in secretarial and clerical work.

Union Switch & Signal is known throughout the world for its accomplishments in the rapidly growing fields of electronics and automation. We'd like to have you know our company and share our growth.

Now that granddaughter Ellen is a 1962 graduate, Mr. Clyde Sylves is "graduating," too. He has been a real friend to all of us here at SHS and will be greatly missed. Among the memories we will have of him are his bright outlook on even the dullest days, his willingness to care for those stray dogs till after school, and his patience in removing locks when we had lost our locker keys. Our best wishes go with Mr. Sylves; may he be blessed with good health and happiness.

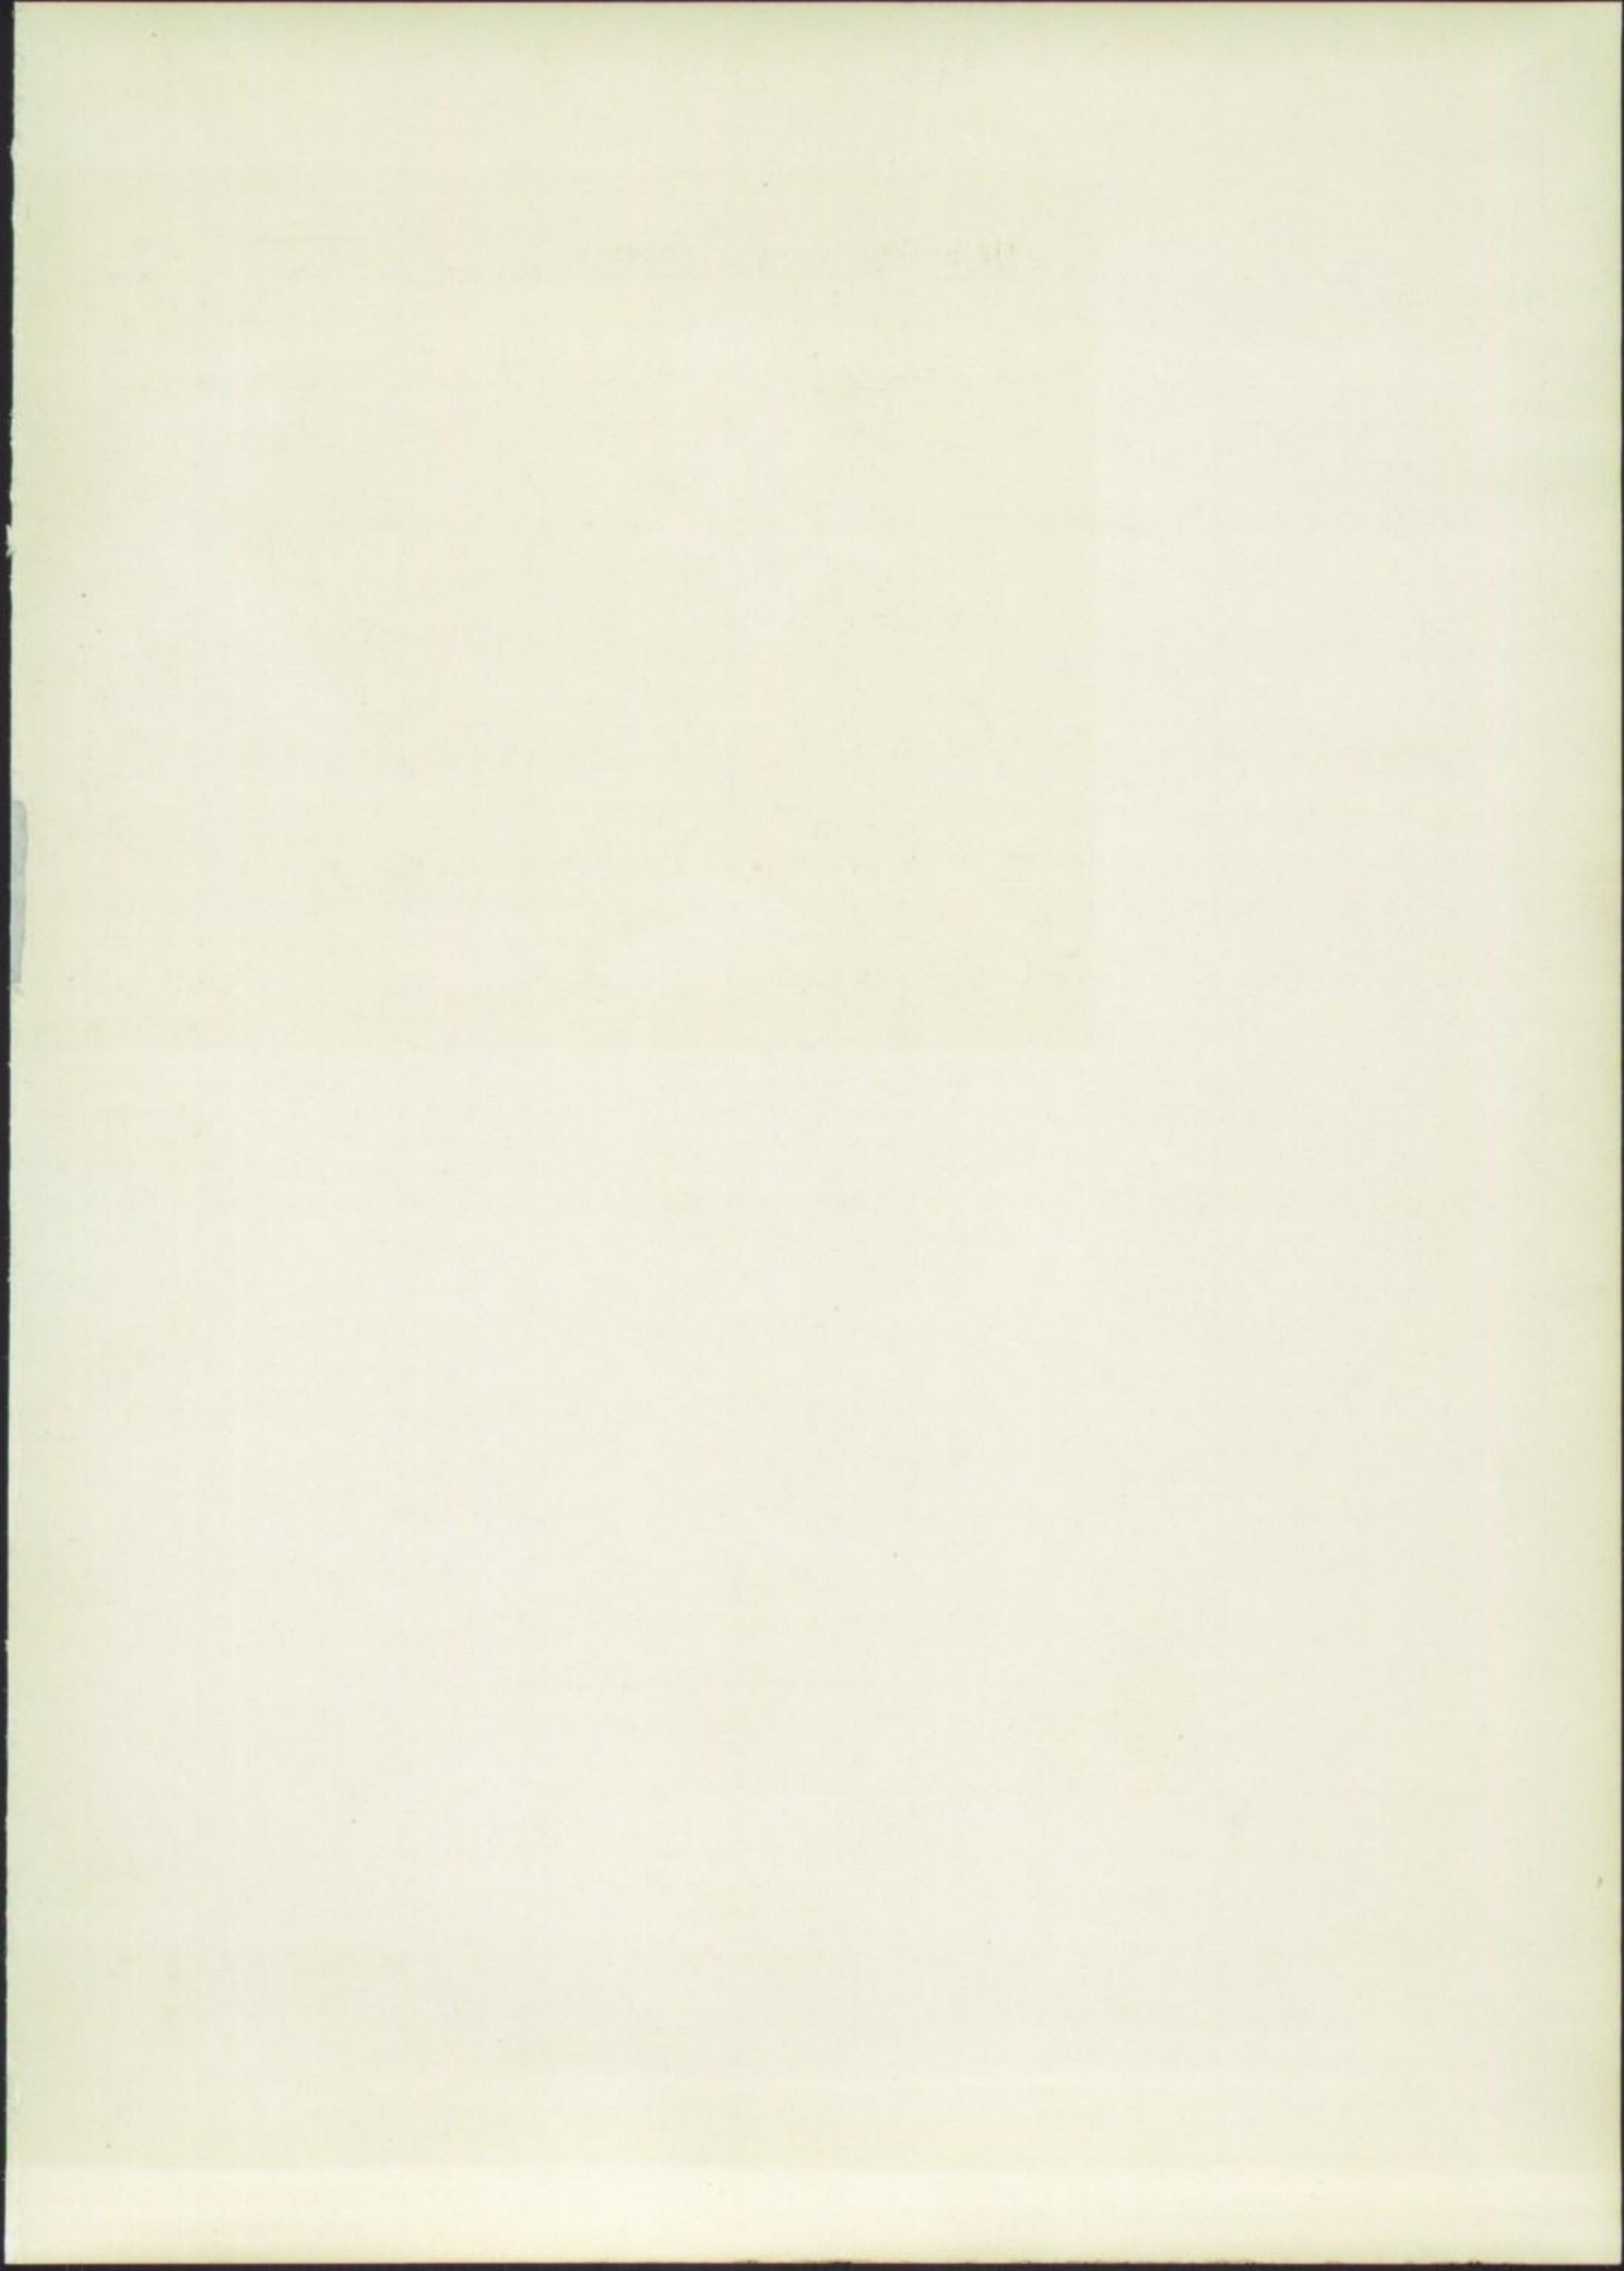

The 1962 Swissvalian Staff gratefully acknowledges the help of:

Foote & Davies Inc. of Atlanta, Georgia, for printing and binding, and especially Mr. J. R. McWilliams for his help and advice

The S. K. Smith Co., Cleveland, Ohio, for the covers

The Terrace Arcade Studio, Pittsburgh 27, Pennsylvania, for the photographs, and especially Mr. William Phillips and Mr. Al Agate

Miss Elizabeth M. Jacobs, Adviser

Barbara,

Finally, I take pen in hand to express my sincere hope that you find success a part of a happy life. May you always possess the sterling qualities of perception and understanding as you do now. I have found you to be a wonderful person and friend with whom I have many times enjoyed talking and exchanging ideas. I hope that in your life you know the joy of loving and being loved as I know and cherish with Helga.

Yours
John
